Dear Diane

I am writing to you in my capacity as the Director for Children & Families for Staffordshire County Council. I hope that you and your staff at Central Hub Logistics have enjoyed the Christmas break and I wish you all a very Happy New Year.

The purpose of my contact is to thank you personally for the pamper hampers that you provided to so many Tamworth families prior to the Christmas period. I understand from colleagues that your generous support was greatly appreciated by the local families many of whom were facing difficult financial and personal situations.

As a Local Authority we very much recognise the important role that companies, organisations and communities have in their local areas. As such we would very much value continuing our relationship with Central Hub Logistics. I understand that local Children & Families colleagues will be in touch with you in due course to develop this work further.

Once again many thanks for your generosity and support.

All the very best to you and your staff for 2025 and beyond.

Yours sincerely

**Bernie Brown

TO DIANE & ALL THE VOLUNTEERS AT TAMWORTH AND LICHFIELD PAMPER HAMPERS

We would like to thank all the team involved in The Tamworth and Lichfield Pamper Hampers for the generous donation of hampers for vulnerable and struggling people at Christmas.

We were able to use the hampers to support a Homeless Family at Christmas have the hygiene support they needed over the festive period, where a lot of support services shut down and they were in tears when receiving the donation, as they were touched by the fact complete strangers had thought about them.

We were able to distribute all the hampers donated, from Men in Temporary Accommodation, people struggling financially and those who are living on their own with no natural networks of support.

Your team do an amazing job, and the need for what you do grows, year on year. We would like to in 2025 if there is an opportunity for our team to come on a day to help and volunteer, please let us know.

Please see attached Certificate of Appreciation.

Yours Sincerely
Lee Bates, BEM, DL
Chief Operating Officer.
